Present Role: Consultant, Faculty and Co-Ordinator CII Institute of Logistics & SCM

With over 22 years of vibrant journey; distinguished experience in the corporate & academia across India, as a prominent figure in the fields of Operations & Logistics Supply Chain Management, Marketing research, leadership, & administration. Holding doctorate (PhD) in Management (2013), secured Gold-Medal in MBA (2009); Qualified UGC NET Management (2010), accomplished a Faculty Development Program (FDP) from the prestigious IIM Ahmedabad (2021) & IIT- Bombay(2018), he is deeply committed to nurturing the next new generation learners, entrepreneurs, and managers. He graduated in B. Tech Mechanical (2002) and PGDBM (2005) From Maharaja Sayajirao University, Baroda, Gujarat.

He has successfully guided, mentored, and trained more than 10,000 students and professionals across various domains of management, including quality, operations, creativity, and innovation. His invaluable contributions to institution-building are evident through his active participation in several instrumental to committees such as BOS, NBA, NAAC, NEP2020, and IQAC, as well as his involvement in placement, research, seminar, workshop, and conference initiatives, all aimed at fostering academic excellence by bridging gap industry and academia.

As a prolific researcher, he published numerous research articles in peer-reviewed, UGC Care-listed, and ABDC-Scopus indexed journals, receiving several best paper awards (2010 & 2013) for his impactful work. His expertise is often sought after at national and international levels, where he serves as a resource person, area chair, session chair, and jury member for bilateral project (e.g. RANPEA- Russia Moscow), as a subject expert in corporate training (e.g. NAIR) & EAC / EDII workshops.

Skilled in policy document preparation, quality assurance, and data analysis using tools such as MS Office and IBM SPSS, he also provides educational counseling, market research, and technical writing services. A dedicated professor by choice, he is a lifelong learner(LL) and an avid reader, constantly seeking to inspire and empower those around him with his innovative approach to education and leadership.
